NESHOTAH

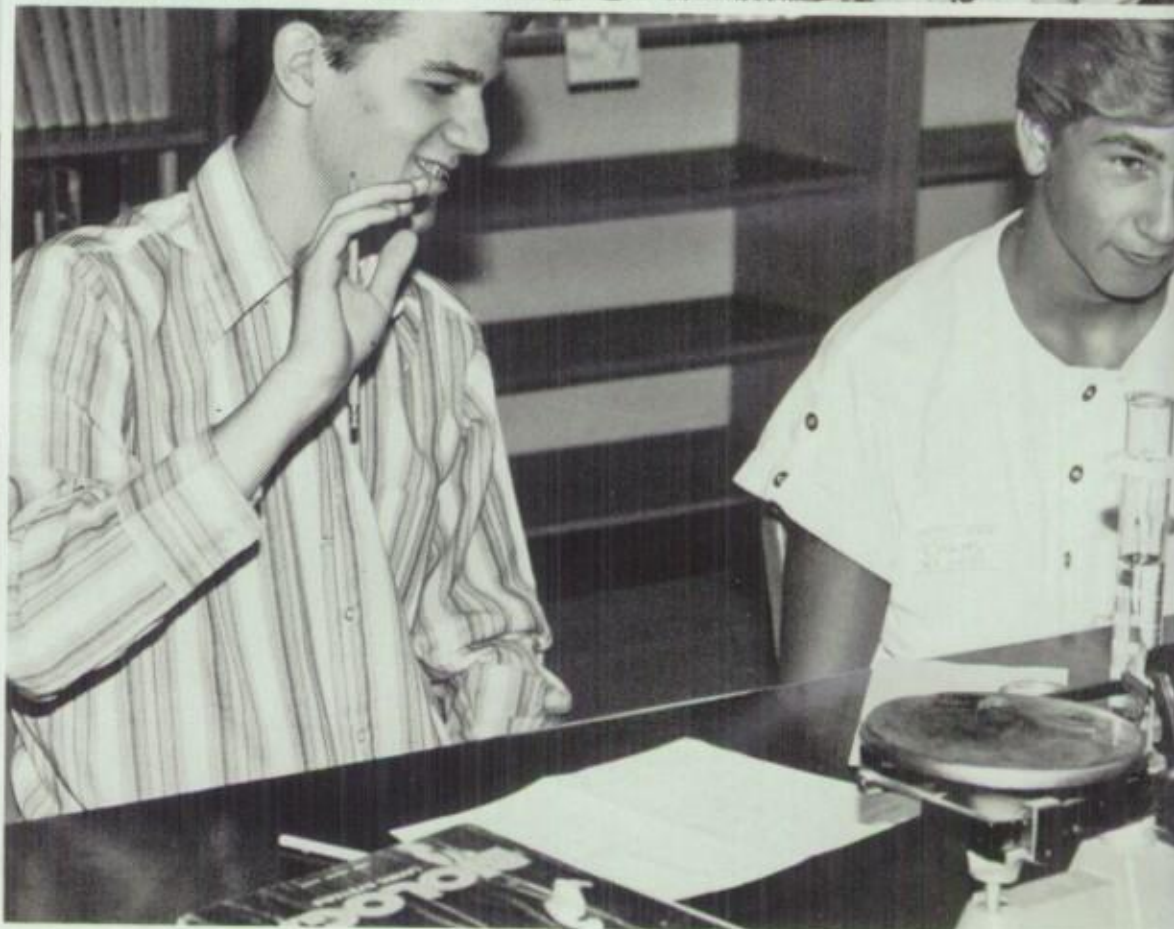

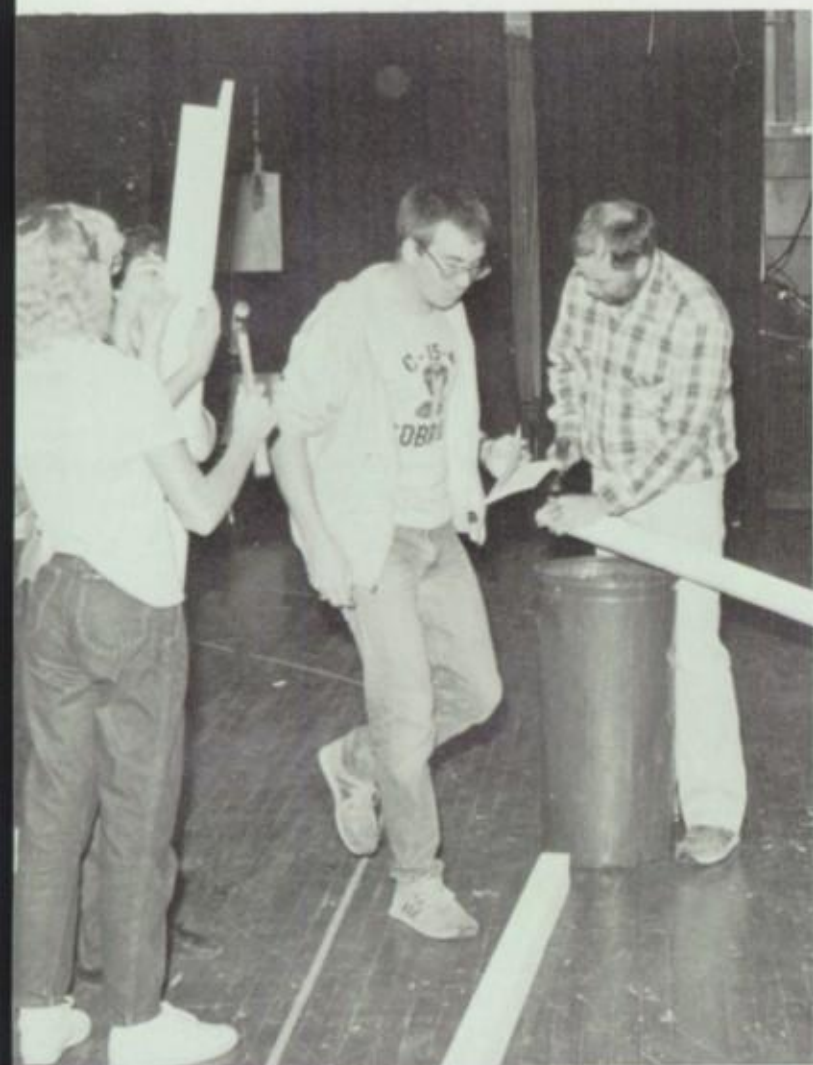

Washington High School Two Rivers Wisconsin Neshotah 87

Dedication — Mr. Kupsh

This year's dedication is presented to a person who has dedicated his life to the education of American youth for more than thirty-five years, Mr. Kupsh. This school year marks the completion of Mr. Kupsh's thirtieth year at WHS. Prior to coming to WHS he taught four years at Auburdale and two years at Pulaski. A graduate of East DePere high school, the University of Wisconsin — Whitewater, where he earned his Bachelor of Science degree and the University of Wisconsin — Madison, where he earned his Masters degree, Mr. Kupsh continues to update his knowledge in education and business.

Mr. Kupsh is department head for the Business Education faculty and has been involved in keeping the department and students up-to-date in the world of business. Most recently the department implemented a word processing course, a computerized accounting course and keyboarding at the sixth grade level.

While not involved with teaching or selling tickets at school events, Mr. Kupsh enjoys his family; wife Elaine, son Jim, daughters Debbie, Doreen and Jean, his granddaughter, and four grandsons. His spare time is spent hunting, fishing, gardening and woodworking.

The student body, faculty and staff all congratulate Mr. Kupsh on his career in education and wish him and his family best wishes for the future.

In Memory Of . . .

Tiffany Neuman

Since we have had you for a friend
 You cannot go away
 Within our lives which shared you
 Forever you shall stay
 Here are the rooms where once we met
 and we shall find this true
 That all that you have touched has kept
 Some gentle thought of you
 Yes, here forever you must dwell
 As part of us you stay
 And though too soon you said farewell,
 You did not go away.

At the beginning of the 86-87 basketball season the team was on edge. We had lost our first 5 games, and the team just wasn't together. Near the end of the season we put our selfishness behind us and played like a real team. When it came to tournament time we were at our peak. **BECOMING REGIONAL CHAMPS.** Jeff Hebert, Co-Captain

This year the wrestling team had a fair season considering the lack of wrestlers and experience at a few weight classes. There was a great amount of hard work and determination among the team, which allowed it to be a very festive season.

Foreign Exchange

Argentina

Debby Vander Bloomen is spending the year in Cordoba, Argentina, a city of about 3 million people. Her family is Roberto and Nelbie Canziani. Her sister is Sandra, age 17, (Pictured with Debby) and her brother is Fernando.

Debby is a senior at the Institute of Jesus Maria an all-girls Catholic school, where she is required to wear a uniform. Her classes consist of English, French, Literature, Chemistry, Physics, Latin Philosophy, Greek and Religion.

School is from 8 am to 1 pm, then they take Siestas in the afternoons from 4 pm to 6 pm.

She has been on many trips, including a trip to Bueneas Aires a couple of times.

Debby says that she is having a wonderful time and is in no hurry to come back.

Japan

Jamie Grainger spent one year in Matsubard City, Osaka, Japan. It's the second biggest city in Japan, with a population of 8 ½ million. Jamie was under the Rotary International Youth Exchange.

Jamie attended a public high school, where the teachers changed classes, not the students. There he studied courses like: Math, English, Phy Ed., Japanese Writing, Japanese Language and Judo.

Two out of the four host families he stayed with were the Kitanahu's, his father there was a doctor and his mother was a housewife. In the second family, the Okada's, his father was a farmer and his mother a housewife, he also had two older brothers, one age 26 and one in college, age 23.

In his spare time, Jamie did some golfing, tennis and wrote some lyrics with a band he was in. Some of his comments were "People are very nice, but strange, they always dress to please," "school is sometimes boring," and "everything is very, very expensive."

Austrailia

Marsha Brashaw went to Austrailia, where she spent one year under the Rotary International Youth Exchange. Griffith, her hometown, has a population of 10,000. Marsha attended a coed public high school which is much more social than WHS. "It was much more fun and free."

The foods they eat are basically the same as the food we eat here in the States. Junk food, which is popular in the US, isn't quite as popular in Austrailia. Ketchup, which can be considered as a delicacy, is not even allowed there.

During her stay, Marsha worked with her host father on a sheep ranch. All of her time was meaningful and worthwhile. In her spare time she played tennis, swam and went to parties with friends of her own age.

Iceland

Dagny Erlendsdottir comes to WHS from Iceland. She is under the American Scandanavia Students Exchange.

Dagny is from a small town named Seltoss, with a population of 3,650. Her home town is 36 km from Reykjavik, the place where President Reagan's summit meeting took place.

Her family consists of her father, who is a policeman, her mother who works as a telephone operator, and two sisters one 19 and one 16. Back home Dagny has finished school, (which usually is at the age of 16), and plans on going to college after she returns, to become an optomitrist.

Dagny stayed with Mr. and Mrs. Howard Gleason. Some of her ideas about Two Rivers were that it is a nice town and the people were very nice.

Dagny's hobbies include: handball, basketball, swimming, movie watching, dancing and traveling.

West Germany

Andreas Kostrzewa comes to WHS from West Germany via the EFFS (Education Foundation for Foreign Study) program.

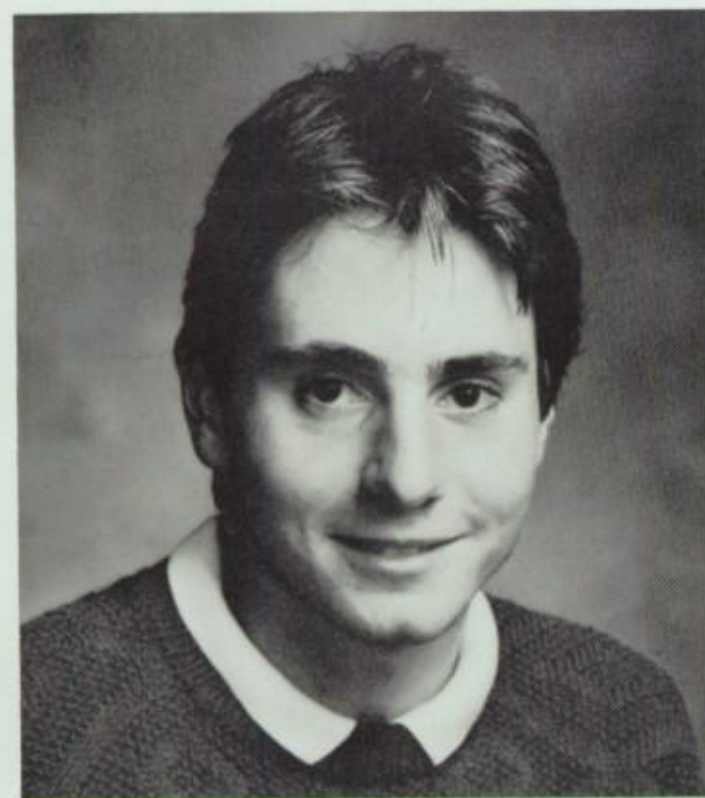

Back home he lives in Herne, a little city near Cologne in North-Rhine-Westphalia. His father Karl-Heinz is a salesman and his mother is a homemaker, he also has a younger sister, Sabine who is 13. In the United States he is staying with the Ken Heili family.

A favorite hobby of his is travel. He already has visited France, Switzerland, Austria and Belgium to name a few.

Some of the things that he enjoys the most is playing pool, music, taking pictures, having parties, improving his English, being a part of the "American Way of Life," and girls.

One of the points that Andreas stresses is that "there should be more done for the youth in this area," because at times it gets to be a little boring.

He considers Two Rivers as a nice town with nice people.

Turkey

Omer Yenidogan joins us from Turkey and is sponsored by the Rotary Youth Exchange Program.

Omer's parents are Kemal and Nuran Yenidogan and both are business people. Omer spends his weekends at his home city of Izmit, and his weekdays in Istanbul where he attends school.

He is staying with three families while in Two Rivers. The Karmans, Mahans, and Varekas. While at WHS, Omer has been active in Student Council, Interact, Ski Club, Cross country, Basketball and Track.

When asked about his feelings about Two Rivers, Omer responded, "TR is such a nice city. By comparison with my city in Turkey, it is much smaller, but this way everyone knows each other. This has been the greatest year in my life." "I'd like to say thank you to everyone."
